

TalentMover
Powered by Sirva

Simplify Mobility. Amplify Talent.

Built for How Your Business Moves Today

An exceptional relocation experience is possible with the right support. Whether it's a rising star or a senior leader, TalentMover makes it easy to move people where they're needed, without adding complexity to your day.

Designed for organizations that relocate talent occasionally or strategically, TalentMover is a smarter way to manage moves. Backed by Sirva's global strength and proven expertise, it's fast to launch, simple to manage, and tailored to your team's and organization's reality.

Not every company has a full-scale mobility program, and you don't need one to benefit from Sirva's global expertise. TalentMover is purpose-built for HR, Talent, and Procurement leaders who manage relocation as a strategic enabler of growth, and support organizations that are:

- Moving Executives, Small Groups, or Key Talent on Occasion
- In Need of Fast, Reliable Corporate Relocation Support
- New to Mobility and Unsure Where to Begin
- Managing Relocation Through HR or Sourcing Teams
- Focused on Reducing Compliance Risk, Cost, and Complexity

The Confidence of a Trusted Guide

TalentMover brings together everything you need—people, technology, and expertise—under one roof. What you'll get:

- Turnkey setup with a dedicated onboarding team
- Flexible, on-demand service, and simple contract terms
- Expert guidance in home sale, household goods shipping, compliance, immigration, specialized tax and payroll expertise, and more
- Access to 190+ countries and a vetted, metrics-based global partner network

You stay focused on your business.
We'll manage your moves.

Designed for the Way You Work

Whether you manage a handful of relocations or support key hires in new markets, TalentMover offers the level of support needed to manage successful relocations.

For HR and Talent Leaders

- Clear visibility through a central HR dashboard
- Real-time move updates, cost tracking, and employee sentiment insights
- AI-powered summaries and reporting to help you make decisions faster

For Your Employees

- Mobile-first experience with 24/7 support
- Smart expense tracking with fast reimbursement
- Local insights, secure document storage, and helpful reminders, all in one place

TalentMover is a modern move experience that helps your people feel supported from day one.

Scalable Support, Without the Overhead

- Launch quickly, even if you're new to relocation
- Expand confidently into new markets
- Use what services you need, when you need them
- Minimize usage of internal resources with outsourced program management

From one move to your next market expansion, TalentMover scales with you, without locking you in or putting you in a box.

Built-In Financial & Compliance Support

- Sirva oversees payments, reimbursements, and supplier funding, globally
- Full tax and compliance reporting included
- IRS-compliant U.S. home sale programs to reduce risk
- Specialized tax and payroll solutions
- Multi-currency expense tracking made simple

Let's Move Talent, Better

You don't need a big program to make a big impact on your employees' moves. With TalentMover, you get a relocation partner that's easy to work with, globally connected, and ready when you are.
