

COVID-19: Client Survey

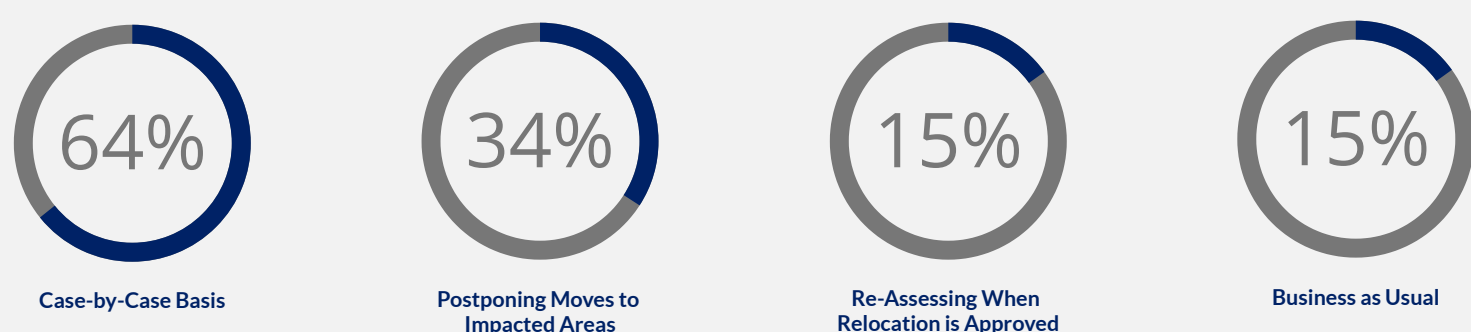

59 SIRVA Account Managers were surveyed regarding the impacts of COVID-19 on mobility, and the actions their clients are taking during this unprecedented event. The results are shown below.

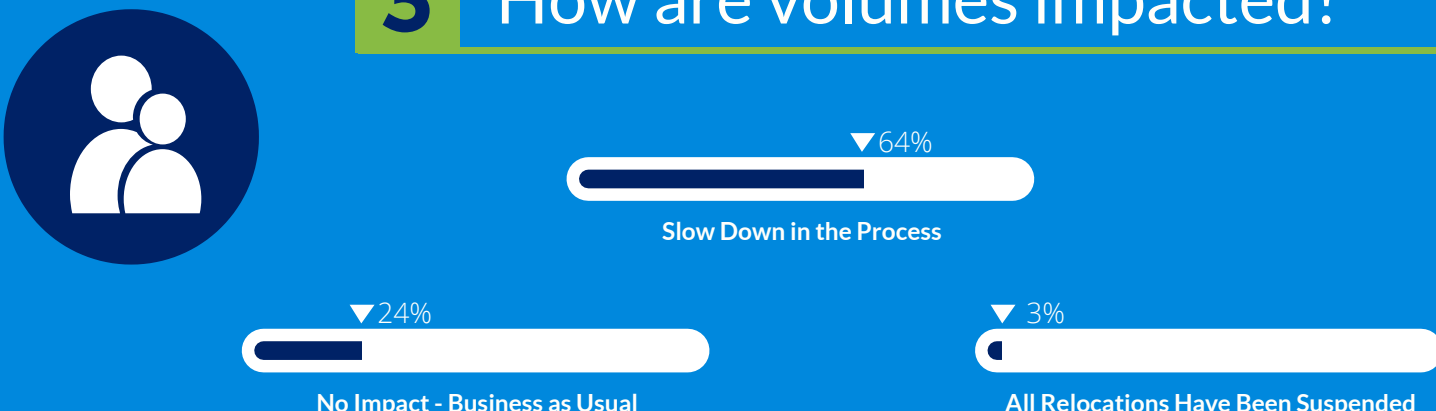

1 How are new moves managed?

2 How are in-process moves managed?

3 How are volumes impacted?

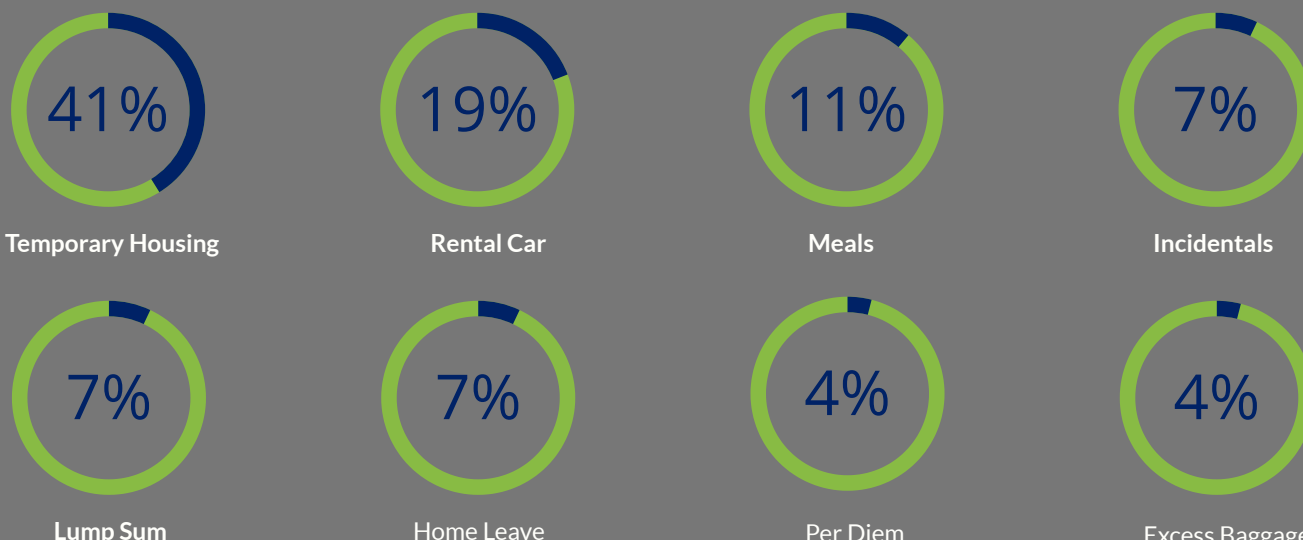

4 What measures are being taken to safeguard employee well-being?

5 What benefits have been suspended for employees in holding zones?

6 What additional support is provided for in-process moves?

7 What are top stakeholder concerns?
